

Voto Latino Foundation (VLF) was honored to participate in Hispanic Executive's very first #LatinoERG Digital Summit, "Activating ERGs to Impact Change", and to share how we are uplifting our community.

To impact change for Latinos and Latinx youth, here are four things you can do with VLF:

DONATE TO VOTO LATINO FOUNDATION

Voto Latino Foundation is the premier Latinx voter registration and advocacy organization in the country. Focused on youth, VLF's efforts are shaped by civic engagement, issue advocacy, and leadership development to engage and empower the Latino community. VLF reaches 8.5 million a month, enjoys over 1 million supporters and is on track to register 1 million voters by November 2020. Invest in our work today by making a tax-deductible donation. The Immigrant Neighbor Fund, led by Voto Latino Foundation, in partnership with Mission Asset Fund and APIA Vote, aims to raise and regrant \$4 million for the 20% of Latinxs and 1.7 million Asian American Pacific Islanders excluded from receiving COVID-19 federal relief funds due to status. Donate to the Fund today, then share this message with co-workers, your family, your company--urge them to support families in need. 100% of the proceeds go back to the community.
